# LENNAR®

As one of the nation's leading homebuilders since 1954, Lennar is listed on the New York Stock Exchange (LEN) and is now present in 26 states across the country. We deliver superlative quality by harnessing our national purchasing power to increase the quality of building materials, while lowering costs to deliver value and quality. We offer a full range of services, including in-house mortgage, title and insurance companies, and focus on making our clients' home buying experience hassle-free and memorable. Lennar's commitment to Quality, Value and Integrity is the underlying foundation upon which we were built. And today, with more than half a century of experience behind us and over 1 million homes built, this commitment continues to guide us forward.

## BH GROUP

For more than two decades, BH Group has been transforming the real estate market in South Florida and beyond with a primary focus centered on luxury residential properties, prime land holdings, office spaces and mixed-use assets strategically positioned in prime locations. By targeting large-scale, value-adding prospects within specialized markets, the firm mitigates risk exposure while maximizing returns. BH Group has forged partnerships with leading real estate firms in the United States, resulting in the successful completion of over 1,100 luxury residential units, with an additional 10,000 units in progress, in collaboration with esteemed partners.
