The dimensions stated for this floor plan are approximate because there are various recognized methods for calculating the square footage of a unit. The square footage stated here is calculated from the exterior boundaries of the exterior walls to the centerline of interior demising walls without deductions for cutouts, curves, or architectural features. This method typically results in quoted dimensions greater than the dimensions that would be determined by using other accepted methods. The definition of "Unit" and the calculation method to be relied upon is set forth by 444 BRICKELL TWO, LLC (the "Developer") in Developer's prospectus which method may result in a square footage calculation less than the result of the calculation method used here. VICEROY BRANDS, LLC owns the mark and name Viceroy®. The Developer is permitted to use the name and logo of The Related Group® and Viceroy® pursuant to license agreements which are valid unless terminated or expired; neither The Related Group nor Viceroy Brands, LLC are the Developer. The dimensions stated for this floor plan are approximate because there are various recognized methods for calculating the square footage of a unit. The square footage stated here is calculated from the exterior boundaries of the exterior walls to the centerline of interior demising walls without deductions for cutouts, curves, or architectural features. This method typically results in quoted dimensions greater than the dimensions that would be determined by using other accepted methods. The definition of "Unit" and the calculation method to be relied upon is set forth by 444 BRICKELL TWO, LLC (the "Developer") in Developer's prospectus which method may result in a square footage calculation less than the result of the calculation method used here. VICEROY BRANDS, LLC owns the mark and name Viceroy®.
