An Elevated Expression of Island Living

The Residences at Mandarin Oriental, Miami will be a destination for those seeking contemporary, gracious luxury in a serene setting. Our renowned global design partners bring the best of Asian and European design to Brickell Key with skyline-defining architecture, thoughtfully crafted interiors, and expansive spaces designed for seamless indoor-outdoor living. Combined, these features provide residents with a tranquil living experience to relax and recharge from the fast-paced energy of the Magic City.

South Tower

Sophisticated Design

The Residences at Mandarin Oriental, Miami sets a new standard for coastal cosmopolitan living. Each residence throughout the two landmark towers has been meticulously considered and envisioned by world-renowned talents. Light-filled homes with panoramic views, both sophisticated and state-of-the-art, offer an elevated sense of escape, with the fast-paced energy of the city just beyond your door.

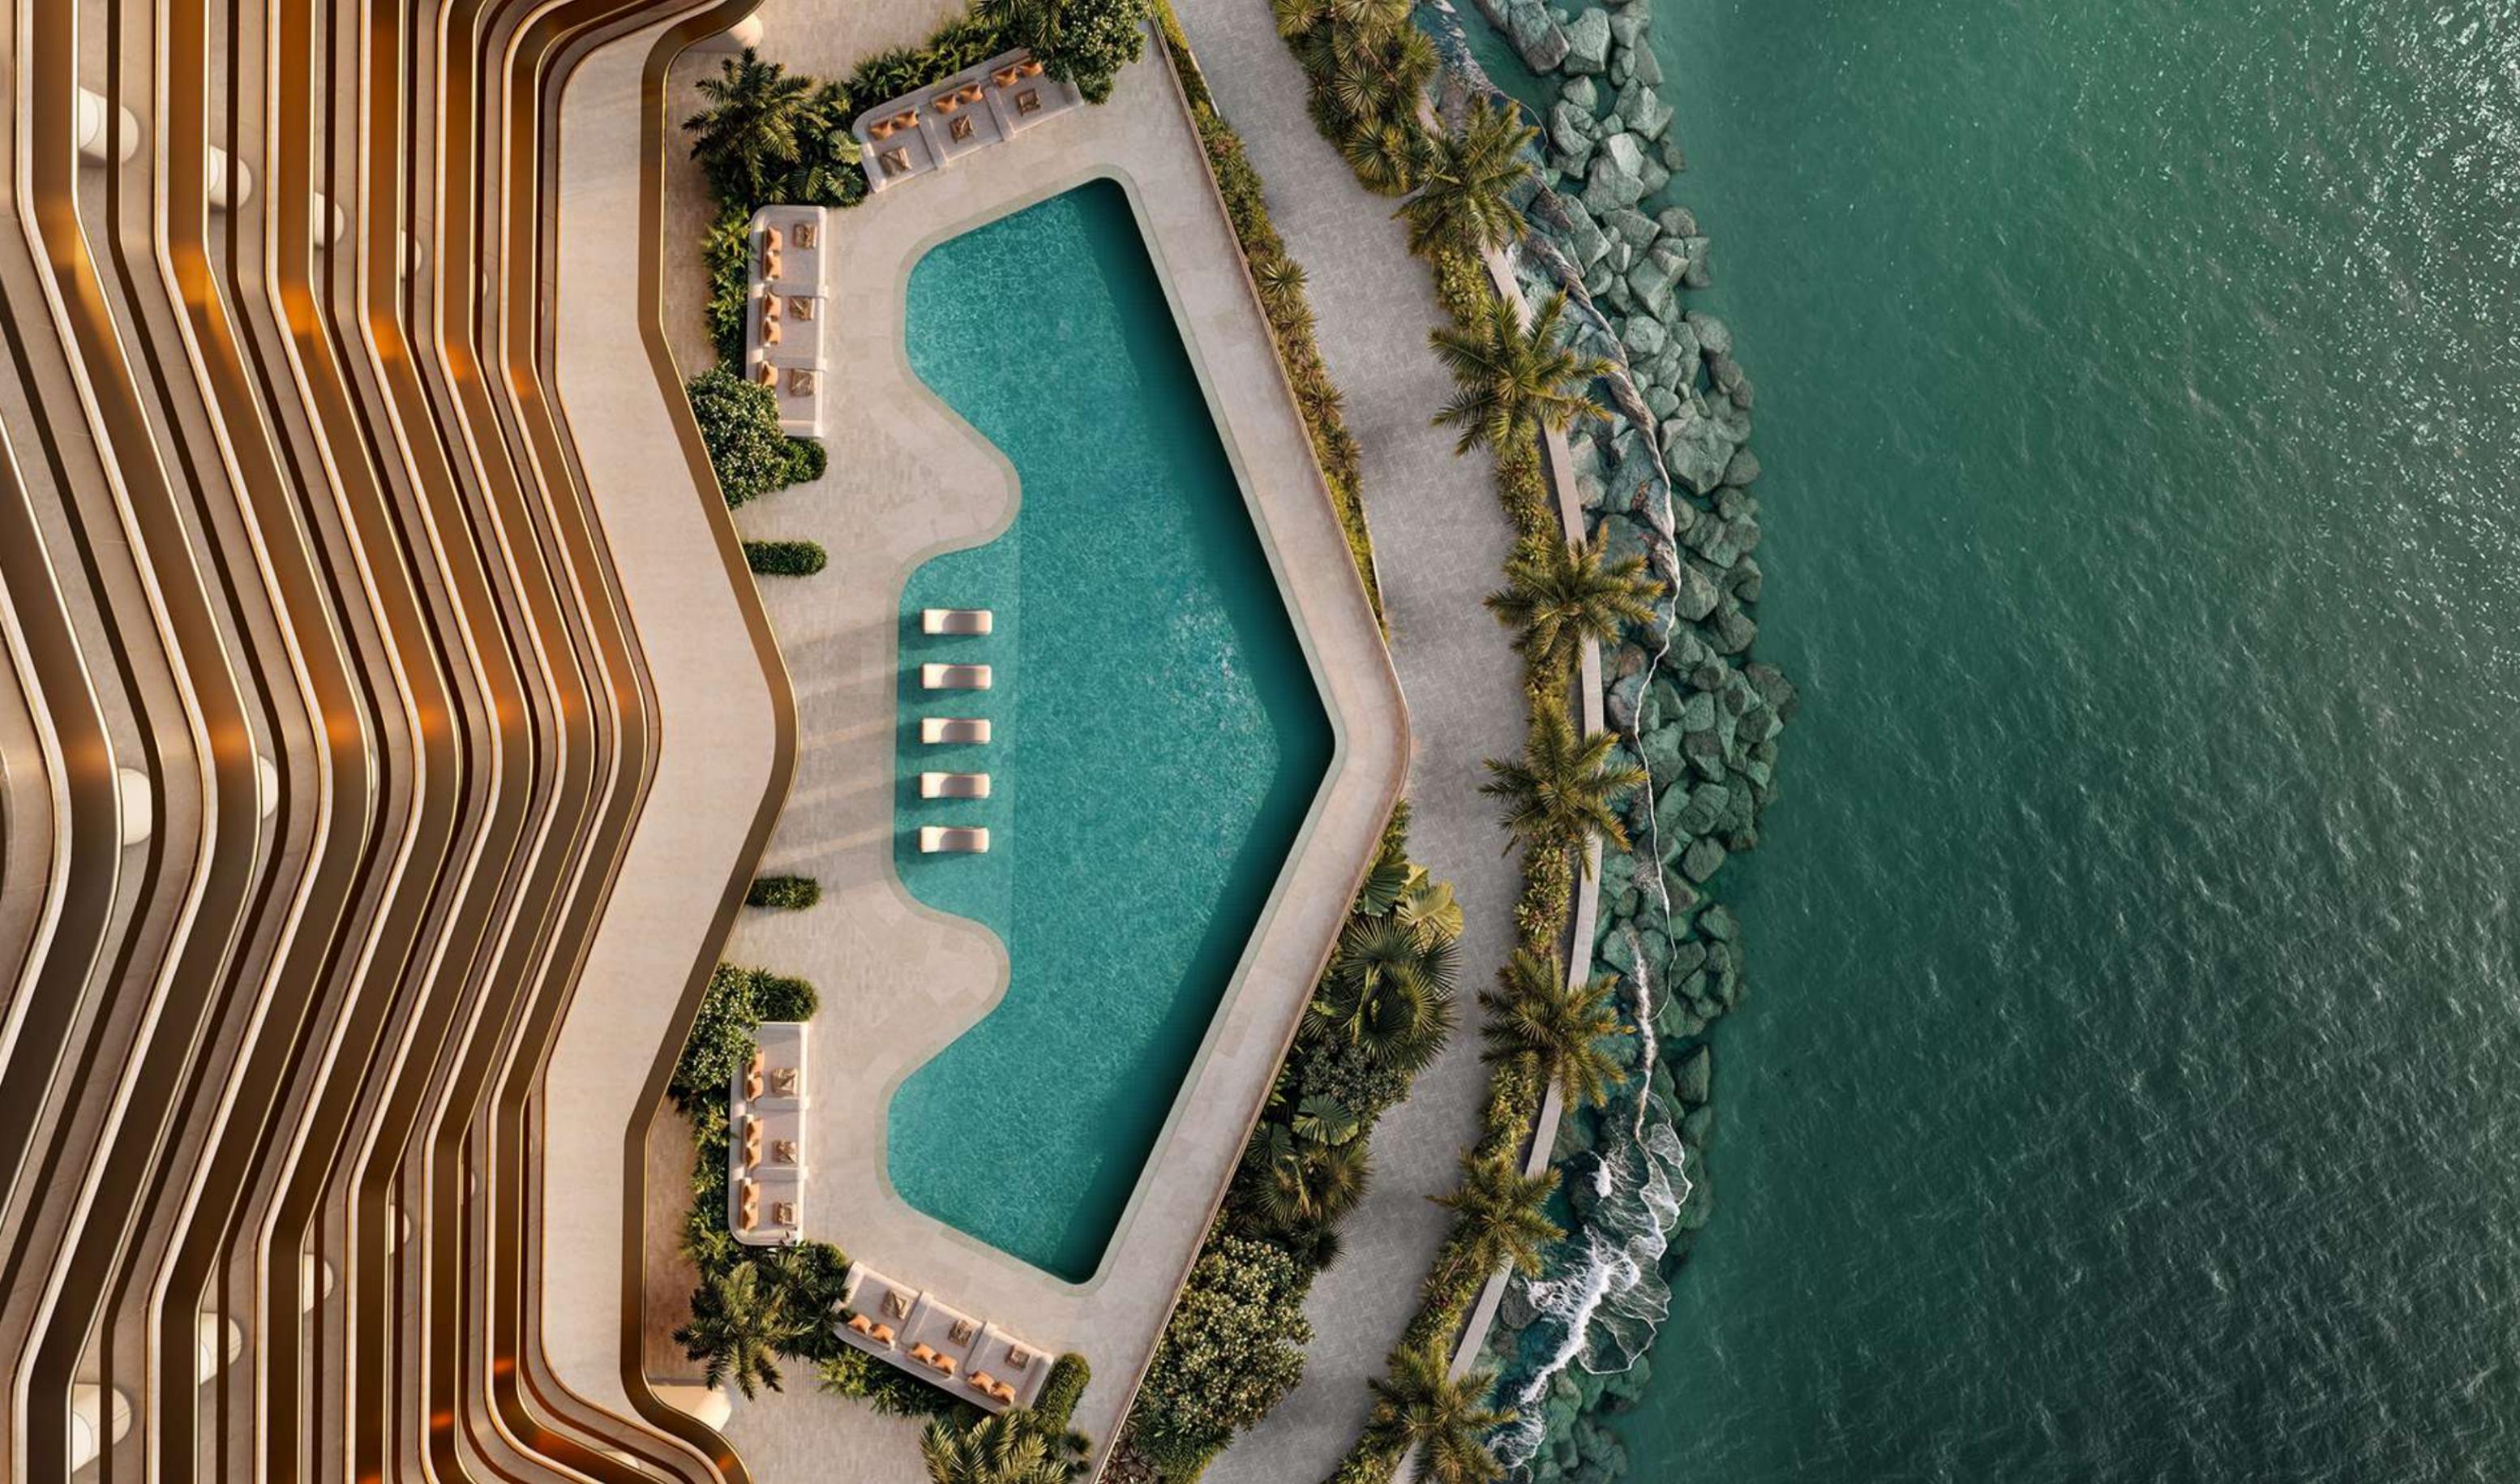

Resort Lifestyle

While the city and ocean beckon from across the bay, you can immerse yourself in a world of exclusive experiences at The Residences. The 100,000-square-foot, multi-tiered amenity podium redefines luxury living, where resort-style indulgence meets the unparalleled grace of Mandarin Oriental's legendary service. You might spend the morning on the yoga lawn, pass the day enjoying invigorating treatments and experiences at the signature spa or watch the sunset from the Dining Pavilion. Mandarin Oriental has set a new lifestyle standard for Miami.

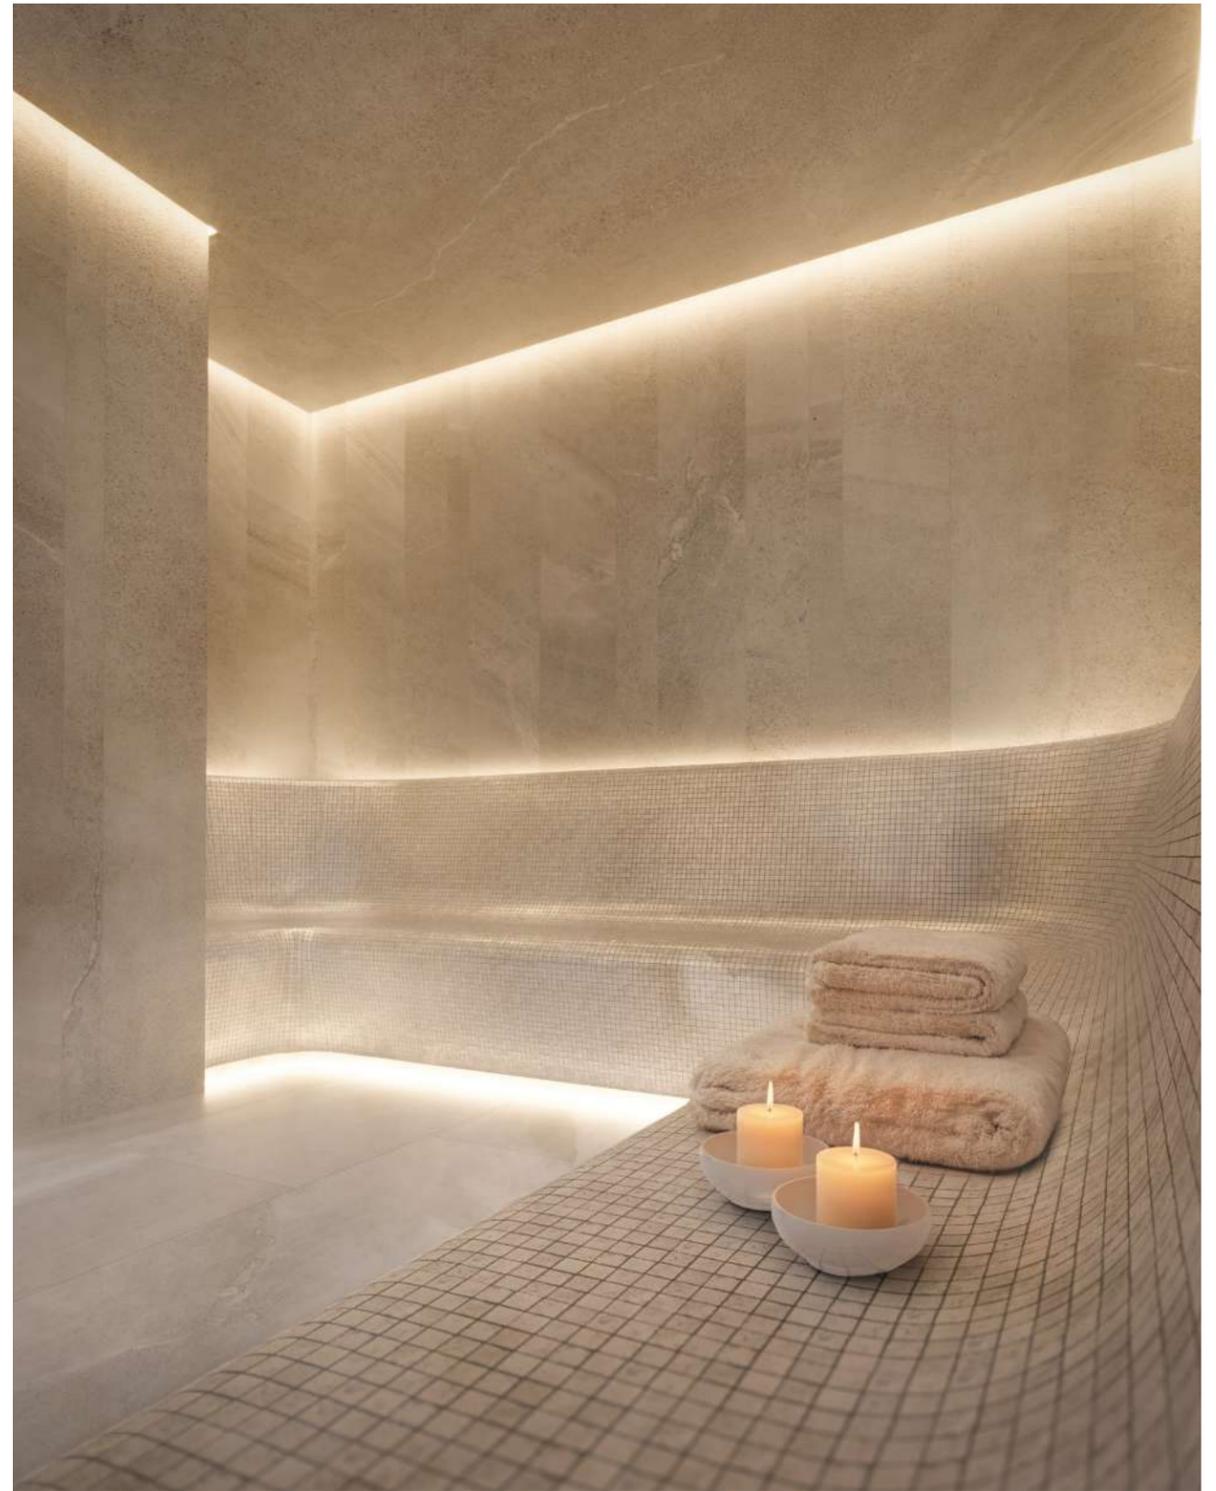

Hammam

Legendary Service

Mandarin Oriental is synonymous with legendary service. A dedicated team graciously anticipates your needs with subtle discretion, creating a special sense of home where every detail is meticulously curated. The Residences at Mandarin Oriental, Miami truly offers the best of both worlds; the comforts of a private home combined with the unsurpassed amenities and legendary service of Mandarin Oriental.

World Class Talent

The Residences at Mandarin Oriental, Miami, brings together world class talent to execute every aspect from development to the finest details

Swire Properties

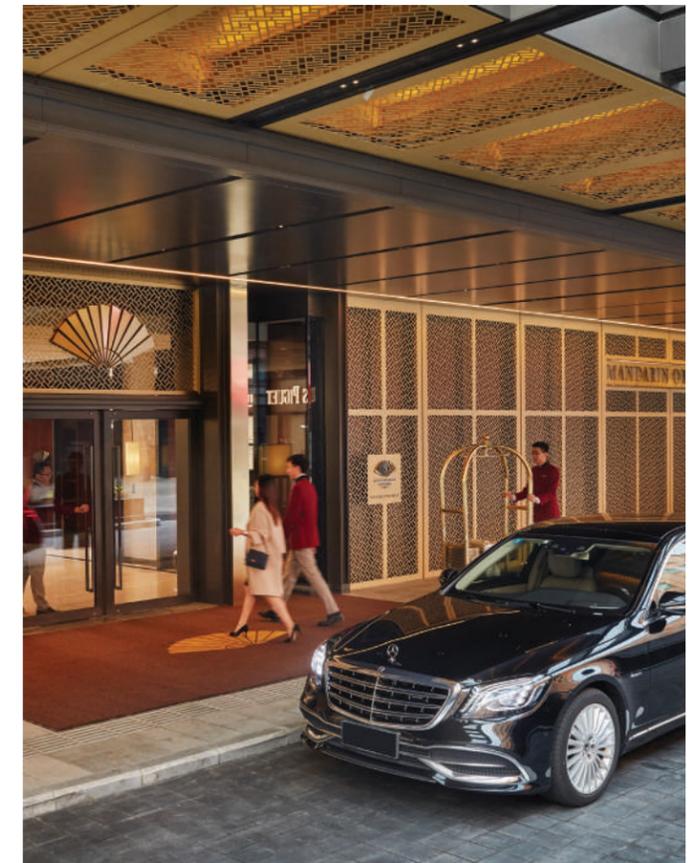

Developer

More than developers, Swire Properties is in the business of creative transformation when it comes to architectural and interior design. Headquartered in Miami since 1976, the company is in the U.S real state arm of the British-born Swire Group, an international conglomerate with a diversified portfolio of businesses. They have developed commercial, retail, hotel, and residential properties in Miami.

Mandarin Oriental Hotel Group

Hospitality Operator

Mandarin Oriental is the award-winning owner and operator of some of the world's most luxurious hotels, resorts and residences. Each outstanding property reflects the Group's dual Asian heritage, while proudly distilling the Essence of the Destination, reflected in every hotel's own fan - carefully crafted by local artisans. Driven by a passion for the exceptional, every day, everywhere, the Group's mission is to craft time-enriching experiences that transform the ordinary to the exceptional and guests to fans through its legendary service. Mandarin Oriental continues to drive its reputation as an innovative leader in luxury hospitality, delivering sustainable growth over the long term.

KPF

Architect

KPF elevates cities through impactful design, collaborating closely with the world’s most forward-thinking clients to create high performing, carefully crafted buildings that are unique to their physical, social, and environmental contexts. The firm’s extensive portfolio spans more than 40 countries and includes a wide range of projects from commercial and residential buildings to civic and cultural spaces to education, research, and healthcare facilities. Driven by individual design solutions, rather than a predetermined style, KPF endeavours to design lasting buildings that mitigate their environmental impact and enhance the well-being of the communities they serve.

Tristan Auer

Interiors, South Tower

Tristan Auer designs beautifully sensual and singular interiors. He operates with the style of a stage director, his client being both the main actor in his screenplay and an accomplice in the ongoing quest for elegance. His extremely rich and aesthetic vision finds its finest expression in vibrant color, lights, and era mixes. As an ambassador of a certain French “art de vivre,” Auer combines a modern vision with arts and crafts excellence to give a new definition of contemporary luxury.

Shma

Landscapes

Shma (meaning ‘the earth’) is a creative landscape architecture platform that delivers meaningful and thoughtful designs to address increasing environmental challenges. Comprising a community of landscape architects, technicians, horticulturists, strategic designers, media makers, researchers, the team generates transformative strategies to create tangible and measurable designs that enhance social and environmental sustainability.

Speirs Major

Lighting

Speirs Major is an independent, award-winning international design practice that uses light and darkness to enhance the visual environment. They have helped shape the profession and set a global benchmark for excellence. They balance imagination with realism, passion with pragmatism. Through careful collaboration between their multidisciplinary design team, clients and design partners, they ensure that solutions are sustainable and easy to manage. Their projects reveal buildings and spaces in ways that are new, unexpected, and completely integrated — light architecture in its truest sense.
